Letter of Recommendation

December 26, 2007

To Whom It May Concern:

Re: Rambo Builders, LLC

B.R.O. Plumbing, Inc. has been the major plumbing subcontractor to Rambo Builders since June 2006. During this time, B.R.O. Plumbing and Rambo Builders have developed an extremely successful construction working relationship. Rambo Builders has at all times conducted business in a professional manner with honesty and integrity. The office is run very efficiently supplying B.R.O. Plumbing with pre-lien information, contracts and payments in a timely manner. Jobs are well managed with the field superintendents being technically sound and cooperative.

B.R.O. Plumbing is very confident in recommending Rambo Builders to business associates and friends for their general contracting needs.

Sincerely,

A handwritten signature in cursive script that reads 'Gary Polci'.
