RE: LETTER OF RECOMMENDATION

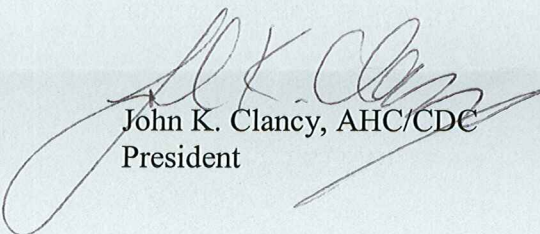

Dear Robert:

Dorwin Systems has been pleased to work with RAMBO BUILDERS since January 2005. During that time, Bob and his staff have comported themselves with the utmost of honesty and integrity with their business dealings with our firm.

As a supplier and a licensed sub-contractor (DORWIN INSTALLATION) we look at three primary attributes in our relationships with our customers: Communication, Coordination and Bill Paying. RAMBO BUILDERS excels in all three.

DORWIN SYSTEMS and DORWIN INSTALLATION look forward to many more years of a mutually beneficial relationship with RAMBO BUILDERS. Anyone should feel free to contact me personally if I may offer any further information on RAMBO BUILDER'S behalf at my office, or on my cell at 604-6742.

Very truly yours,
DORWIN SYSTEMS

John K. Clancy, AHC/CDC
President
